Greetings,

On behalf of the U.S. Green Building Council, I congratulate you on achieving LEED certification for Edificio Laboratorios Ingeniería Pontificia Universidad Javeriana. Your project has achieved gold certification under the v4.1 Operations and Maintenance: Existing Buildings rating system with a total of 66 points.

LEED certification identifies Edificio Laboratorios Ingeniería Pontificia Universidad Javeriana as a showcase example of sustainability and demonstrates your leadership in transforming the building industry. In honor of this impressive achievement and in appreciation of your participation in LEED, we are pleased to present you with the enclosed certificates recognizing your accomplishment.

Now that your project has achieved LEED certification, we encourage you to share your project with the green building community. Please follow the prompt in LEED Online to make it a "public" project. Public projects appear in our LEED project directory found on USGBC.org and are eligible to participate in additional marketing efforts and campaigns.

Congratulations on earning LEED certification, and thank you for your commitment to our common goal of building a healthy, sustainable future.

Sincerely,

Peter Templeton
